provider rate increases for Home- and Community-Based Services, except for services funded through the Office of Community Living, will be delayed until October 1, 2017, resulting in a savings of \$1,647,446 General Fund. It is the General Assembly's intent that this savings be invested in a rate increase for emergency medical transportation, non-emergency medical transportation, and non-medical transportation of \$4,882,669 total funds, of which \$1,647,446 comes from the General Fund. The General Assembly assumes that to continue the rate increases for transportation services in FY 2018-19, when the one-time savings from the delay of the Home- and Community-Based Services rate increases is gone, the Department of Health Care Policy and Financing will need \$5,855,559 total funds, of which \$2,065,366 will come from the General Fund.

As such, the appropriation contains amounts that correspond to centralized appropriation amounts in the Department of Human Services. Consistent with the headnotes to the Long Bill, the Department of Human Services is authorized to transfer the centralized appropriations to other line item appropriations in the Department of Human Services. If permission is granted, the Department of Higher Education shall transfer the amount approved, up to \$61,521,432, to the Department of Health Care Policy and Financing in FY 2017-18 pursuant to Section 23-18-304(1)(c), C.R.S. If permission is not granted, or is granted for a lesser amount, any portion of the \$61,521,432 that is not transferred to the Department of Health Care Policy and Financing shall be transferred to the Regents of the University of Colorado.
