Summary of Legislation

This bill exempts federally qualified health centers (FQHC) from state licensure, on-site inspections and construction plan reviews by the Colorado Department of Public Health and Environment (CDPHE). It clarifies that FQHCs continue to serve as general providers under the Colorado indigent care program.

State Revenue

The bill will result in a decrease of \$33,288 in both FY 2011-12 and FY 2012-13 from fees paid by FQHCs to the Health Facilities General Licensure Fund. Currently, 62 FQHCs pay an annual licensing fee of \$360 per center to the CDPHE. By exempting FQHCs from licensing, revenue is reduced by \$22,320. FQHCs pay a plan review fee of \$1,750 plus additional amounts per square foot for an average fee of \$1,828. CDPHE averages 6 reviews annually which equates to a reduction of \$10,968 per year.

State Expenditures

This bill is expected to reduce expenditures for the CDPHE by \$24,581 and 0.4 FTE in FY 2011-12, and \$24,678 and 0.4 FTE in FY 2012-13, from the Health Facilities General Licensure Fund. By exempting the FQHCs from state licensure, and inspection and review requirements, the CDPHE's workload will be reduced.
