TITLE: CONCERNING LEGISLATIVE REVIEW OF RULES OF THE STATE BOARD OF EDUCATION TO IMPLEMENT THE STATEWIDE SYSTEM TO EVALUATE THE EFFECTIVENESS OF LICENSED EDUCATORS.

Summary of Legislation

This bill, ***recommended by the Committee on Legal Services***, provides for the continuation of State Board of Education (SBE) rules, as adopted on November 9, 2011, and which implement the statewide system to evaluate the effectiveness of licensed personnel in school districts and Boards of Cooperative Educational Services (BOCES). These rules are scheduled to expire on May 15, 2013, unless the General Assembly acts by bill to postpone such expiration. The bill was signed into law by the Governor and took effect February 15, 2012.

Background

On or before February 15, 2012, Senate Bill 10-191 requires that the General Assembly review and approve the rules implementing the act in a bill that is separate from the annual rule review bill. The rules adopted by the SBE apply to the Colorado Department of Education, the State Charter School Institute, local school districts, and BOCES.

Assessment

The bill continues rules that were determined to comply with state law. These actions will not affect state or local government revenue or expenditures and, therefore, the bill is assessed as having no fiscal impact.
