MEMORANDUM

March 12, 2012

TO: Representative Massey

FROM: Clare Pramuk, Senior Fiscal Analyst, 303-866-2677

SUBJECT: Intent to Postpone Indefinitely HB12-1242

You recently informed our office of your intention to ask the House Health and Environment Committee to postpone indefinitely your bill, HB 12-1242, concerning the creation of an electronic biometric prescribing system using biometric identifiers to transmit information pertaining to the distribution of certain medications. On the basis of this information, we have stopped work on the fiscal note for the bill. If the committee does not PI the bill on March 15, 2012, we will continue to work towards completion of the fiscal note for a committee meeting at a later date.
